

Bailey Barnes - Group Lesson Studio Policies

Payments and Scheduling:

Students who sign up for a group lesson are committing to the lesson for the entire term (Fall, Winter/Spring or Summer). If the student will be missing a significant number of lessons because of travel, a family move, or other activities this can be coordinated with me at the beginning of the term. The parent/student must negotiate these absences with me before the first lesson.

Students have two payment options:

1. Make monthly tuition payments. Payments must be paid by the first lesson of each month (September-May) *regardless of the number of lessons attended by the student*.
2. Pay for the semester up front (September-December, January-May, June-August). Payment for the semester can be given at the first lesson of the semester.

Rates:

- \$25/half hour, \$37.50/45 min, \$50/hour

Cancellations and missed lessons

If the student misses a lesson:

- If the student needs to miss a lesson for any reason please call the Stillwater front desk and also contact me.
- Because this is a group lesson, missed lessons will not be refunded or offered a make-up. Students are responsible for paying for all scheduled lessons in the term regardless of how many lessons are attended by the student.

If I miss a lesson the student will not be charged and credit for that lesson will be rolled over to the following month.

Contact information

- Please send me a text or email with your phone and preferred email address when we begin lessons together.
